

TO FOLD AND BEHOLD

Any holiday tittle will look sophisticated sitting on one of these cocktail napkins from Sharyn Blond.

ENTERTAINING

The Belgian linen napkins are hand-embroidered in Madeira, the Portuguese island off the coast of Morocco. Motifs run the gamut — monkeys and palm trees, seaside standards such as coral and fish, decorative borders and holiday favorites. The store has a large selection in stock; Belgian linen tablecloths and place mats can be custom-ordered.

The 5-by-8-inch napkins apiece at Sharyn Blond, 2718 W. 53rd St., Fairway.
